Press Release – April 16, 2010 – For Immediate Release

Palouse Basin Aquifer Committee Seeks Advisory Group Members

The Palouse Basin Aquifer Committee is seeking residents of Latah or Whitman counties to fill two vacancies on its Citizens Advisory Group. The 12-member group's primary objective is to develop recommendations for the committee as it seeks to ensure a long-term, quality water supply for the Palouse Basin region. Members can include rural residents, city dwellers, conservationists, students, business representatives and scientists, among others. The Citizens Advisory Group meets on the second Thursday evening of each month in Moscow.
